

Experience Life at its Peak

Celestia is a residential enclave in the mountain resort township of Timberland Heights. This development under Prestige by Filinvest elevates life to a new level with spectacular panoramic sights of the Sierra Madre Mountain Range and generous living spaces taking life's possibilities to greater heights.

Any Day is a Getaway

Every day feels like a holiday when you wake up to captivating mountain views and breathe in the fresh air of the high life. Lifestyle, leisure, and everything in between all come together for experiences that make everyday moments at home feel like a luxurious staycation all while being just 20 minutes away from Quezon City.

Cradled in the environs of San Mateo, Rizal, Celestia sits in the northernmost part of Timberland Heights and one of the nearest subdivisions to Timberland's future development, the Town Center. Its accessible location offers convenient access to life's necessities while enjoying a serene lifestyle.

Easily Accessible

- Quezon City via Batasan - San Mateo Road
- Marikina and Quezon City via the DPWH Bypass Link Road and Timberland Heights Avenue
